Ortronics

TTracJack Module, LC Duplex, Multimode, Beige Adapter, Fog White Housing

Part No. 63700039

TracJack is a versatile single-module solution—the perfect combination of high quality, enhanced performance, labor savings, ease of use, and flexibility in design. TracJack front removable snap-in modules make moves, adds, and changes easy. TracJack products are compatible with Fib-or-Cop II and the complete line of TracJack faceplates and surface mount boxes. TracJack modules are available in LC, SC, ST, FC, and MT-RJ styles in order to suit any installation requirement.

Features & Benefits

Snap-in module: Simple, secure installation

Front removable: Facilitates quick moves, adds, and changes

Fully compatible with all TracJack faceplates: Provides wide range of design possibilities

Modular design: Flexibility in structured cabling system design

No special tools required: Reduced installation expense
