Pass and Seymour

Discontinued - Harmony® Incandescent Single Pole/3-Way Dimmer Switch, White

Part No. H703PW

Harmony Incandescent Single Pole/3-Way Dimmers save energy and extend bulb life by reducing the amount of electricity required to power the lights. Energy consumption reductions of up to 30% are possible. Offered in a wide variety of styles to match the look of previously installed switches and receptacles, P&S Dimmers also allow you to match the light level to the task at hand.

Features & Benefits

Convenient operation -- combines ON/OFF Decorator switch with separate slider for dimming control.

Constant memory returns lights to previous level after a power failure.

Higher ratings. Single pole and 3-way operation. Works with standard 3-way switches and wiring.

For covering patents, see www.legrand.us/patents.

Green LED glows when OFF to make dimmer easy to find in the dark.

Sleek, ergonomic P&S Decorator style matches other Decorator devices.

Screw-pressure-plate backwire terminals save time, space and money.
