On-Q

Discontinued - Long Range In Wall Pro Power and Cable Management Kit White

Part No. HT22U2WHR12

Easily hide power and AV cables inside the wall without modifying electrical wiring. This unassembled kit includes everything needed to extend power up to 12 feet to wall mount TV installations while providing the ultimate flexibility with the innovative decorator-based power inlet strap and the recessed box with duplex power receptacle.

Features & Benefits

- Foam gaskets to minimize vibration and provide an air-tight seal
- Hook up a digital TV adapter, cable box, sound bar, or streaming media devices such as Apple TV™ or Roku™
- Tailor your system specifically for your home entertainment connection needs (additional accessories available separately)
- Compatible with all TV power plugs, even right-angle cords and wall warts
- 12ft in-wall power cable provides the installer with flexible TV mounting options
- Kit includes all necessary components and hardware to complete assembly and installation
