adorne Collection

adorne® Paddle Switch with Gloss White Wall Plate, White

Part No. ASPD1532W4WP

A modern upgrade that takes as little as 10 miuntes, this designer switch from the adorne Collection features smooth paddle action to turn lights on/off with ease. Use alone for control of a light or fixture from a single switch, or combine with another switch or dimmer for control from multiple locations. Coordinating screwless Wall Plate included, for a sleek and contemporary aesthetic.

Features & Benefits

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Replaces a traditional switch in as little as 10 minutes

More color options available to fit any style, including finishes to match current hardware and lighting trends

A modern and stylish upgrade for any space, featuring smooth paddle action for turning lights on and off with ease

Offers installation flexibility, working in both single-pole and 3-way applications

Screwless Wall Plate included; Coordinate with other designer switches and outlets available from the adorne ® Collection for a cohesive, contemporary look
