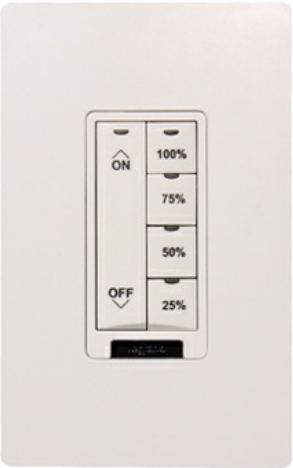
Wattstopper

DLM Pre-Engraved Wall Switch, 4-Button w/IR, ON/OFF, Grey

Part No. LMSW-104-G-ENG1



LMSW-100 Series Digital Wall Switches are low voltage devices for energy-saving manual on/ off control of one or more loads from one or more locations. They are part of a Digital Lighting Management (DLM) system and can control any load(s) connected to DLM room controllers.

Features & Benefits

- 4-Button Wall Switch
- LMSW-100 Series Digital Wall Switches are low voltage devices for energy-saving manual on/ off control of one or more loads from one or more locations
- They are part of a Digital Lighting Management (DLM) system and can control any load(s) connected to DLM room controllers
- Low voltage pushbutton switches for control of multiple loads
- Each button can control individual or multiple loads, or one scene
- Plug to other components using Cat 5e cable and RJ45 connectors eliminating wiring errors
- Customizable buttons with LED status indicators
- IR transceiver for wireless configuration and remote control
- Plug n' Go automatic configuration and Push n' Learn for personalization

Specifications

General Info

Product Line	Wattstopper	Color	Gray
UPC Number	754182946136	Country Of Origin	China
Features	Pre-Engraved	Number of Switches	4
Application Sector	Commercial	Standard	UL
Type	Combination		

Dimensions

Product Width US	1.8 in	Product Weight US	0.1861 lb
Product Volume US	19.845 cu in	Product Depth US	1.6 in
Product Height US	4.2 in		

Technical Information

Number of Buttons	4	Amperage	5 mA
Indoor/Outdoor	Indoor
