

# POWERED UP FURNITURE

DOESN'T NEED TO BE  
AN AFTERTHOUGHT

## FURNITURE POWER CENTERS

Beautifully designed furniture is often ruined by unattractive outlets or USB charging ports added as an “afterthought” – but there is a better way. adorne Furniture Power Centers offer endless design possibilities for providing power that’s built-in to furniture that have never been available before. Fueled by the beauty and diversity of adorne devices and wall plates, Furniture Power Centers are designed to blend seamlessly with or provide a beautiful accent to your furniture and design of your space.

### VARIETY OF MODELS AVAILABLE

Available in 1-, 2- and 3-gang options. Provides all the power, USB charging, switching and dimming you need for any space.

### PLUG AND PLAY INSTALLATION

Just install the unit in your furniture and plug it in.

### FITS INTO TIGHT SPACES

Shallow steel housing is only 2 1/4" deep, so they're easy to fit into tight spaces.

### 2.4A OF USB CHARGING

Each USB port can provide a full 2.4A to quickly charge phones and tablets – no sharing power among multiple ports.

### USES ADORNE DEVICES AND WALL PLATES.

A wide range of colors and finishes to match extensive color and finish options to match any décor. Create a common design theme when adorne devices and wall plates are used throughout the room.
