Pass and Seymour

TradeMaster® SSL7A-Compliant LED/CFL/Incandescent Single Pole/3-Way Toggle Slide Dimmer, Gray

Part No. TSDSSL7APGRY

Replace your standard switch with the new Toggle Slide Dimmer by Legrand. The new Toggle Slide Dimmer offering has been optimized for today's complicated dimmable bulb market. Different bulbs require different dimming solutions and Legrand has you covered for all your lighting needs. The ergonomic slider was designed with the end user in mind, making it easier to adjust in the dark or on the run.

Compatible with CFL/LED and Incandescent/Halogen dimmable bulbs (with the exception of 0-10V LED drivers), these dimmers feature constant memory that returns lights to the previous level after a power failure for automatic control and convenience.

Features & Benefits

- No neutral wire required
- New aesthetically pleasing ergonomic design allows for easier operation
- Convenient operation – combines ON/OFF toggle switch with separate slider for dimming control
- Preset, Single Pole and 3-Way operation.
- Calibration button allows users to adjust minimum and maximum trim levels for a wide range of CFL and LED bulbs
- Constant memory returns lights to previous levels after a power failure
- Screw-pressure-plate backwire terminals save time, space and money
- Lifetime warranty
