

EXTEND YOUR REACH.

InteGreat™ A/V Table Box & Cable Retractors

Now you can better manage meeting room technology that's as innovative as it is simple. Introducing the InteGreat™ A/V Table Box and Cable Retractors, part of Wiremold® Meeting Room Solutions.

With the InteGreat A/V Table Box, you can extend power, communications and A/V from the building infrastructure to the point-of-use with products that are designed to fit together seamlessly. The A/V Table Box easily integrates with Wiremold Cable Retractors, providing unmatched cord and cable protection and organization.

With InteGreat A/V Table Box and Cable Retractors, you'll see the difference that innovative meeting room solutions can make in your meetings.

A/V Table Box

InteGreat™ A/V Table Box

Aesthetically smart design

offers a brushed, anodized cover, in black or aluminum finishes, and a fully recessed “pocket door” for easy access to connections.

Maximum adjustability

of the activation surface allows the cover to close even when using large style connectors.

TB672

Multiple connectivity options

can accommodate up to eight pull out connections with an included cable grommet kit.

Easy installation means that the hole cuts are made with the included template.

InteGreat™ Cable Retractors

Interlocking innovation

Up to five retractors can mount on the side of the InteGreat A/V Table Box with no extra fasteners.

TBCRHDMI

Properly protected and well organized provides up to 5' (1.525m) retractable cable lengths, allowing users to pull out cables for easy connectivity.
