

## ENGRAVED PADDLE™ SWITCH, 20A, MAGNESIUM - NIGHTLIGHT

ASPD2032MENL | [adorne](#)

### FEATURES & BENEFITS

Engraved adorne devices for hospitality are now available as a stocked item. This makes it easy for our customers to place orders and for our hospitality partners to specify our solutions. Each switch is factory engraved ensuring the highest quality and consistency.

- Laser engraved at the factory with the word "Nightlight"
- Perfect for anywhere you'd like to upgrade the look of a standard switch.
- Use on its own to control a light from one location (single-pole operation) or pair with a second switch or dimmer to control a single light source from two locations (three-way operation)
- Pair with matching Paddle Dimmer or Paddle Fan Speed Control to create a uniform look throughout a room
- This item also comes in 15A and 15A 4-Way options.
- This item is also available in White and Graphite.
