

## 4-BUTTON DIGITAL TIMER, DARK BRONZE

RT2DBCCV4 | [radiant](#)

### FEATURES & BENEFITS

The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

The 4-Button Preset Timer Switch controls most types of lighting and features 4-button preset countdown delays in 60-, 40-, 20- and 10-minute intervals with visual indication, turning loads off when no longer needed.

radiant® Screwless Wall Plate not included.

- Offers automated control of lights, fans, and motor loads, reducing energy waste and lowering costs.
- Four preset countdown times of 60, 40, 20, 10 minutes.
- Manual ON/OFF paddle control.
- White LED glows when OFF for easy location in the dark.
- Supported load types: 0-800 VA E-Ballast, MLV, ELV, CFL, LED Drivers, fluorescent or incandescent, 1/6 hp
- Visual LED indicator light will move to next lowest indicator as the timer counts down.
