

The Clarity® family of 110 blocks combines Category 6 and 5e performance with the ease and reliability of 110 termination and installer friendly features all within the traditional 110 block footprint. Clarity blocks are available in 50, 100 and 300-pair sizes, providing designation areas and rear cable entry. Clarity 6 blocks use a signal feedback technique internal to the C6110C4 connector to control crosstalk without compromising impedance. Clarity 6 and Clarity 5E block kits include base wiring block, 110C connecting blocks and label holders for designation.

Features & Benefits

ETL third party tested and verified Category 5e performance	Openings between wiring rows allow horizontal cables to be routed from the rear of the block
Standard 100-pair 110 footprint	Color-coded 110 connecting blocks
Supports consolidation point applications	Wall or rack mountable
Backwards compatibility	

Specifications

General Info

Product Line	Ortronics	Color	White
UPC Number	662875460855	Country Of Origin	United States
Application Sector	Commercial	Warranty Type	5-Year
Type	Punch Down Block		

Dimensions

Product Width US	10.71 in	Product Depth US	3.34 in
Product Height US	1.78 in		

Technical Information

Number of Pairs	50
