

The Clarity® family of 110 blocks combines Category 6 and 5e performance with the ease and reliability of 110 termination and installer friendly features all within the traditional 110 block footprint. Clarity blocks are available in 50, 100 and 300-pair sizes, providing designation areas and rear cable entry. Clarity 6 blocks use a signal feedback technique internal to the C6110C4 connector to control crosstalk without compromising impedance. Clarity 6 and Clarity 5E block kits include base wiring block, 110C connecting blocks and label holders for designation.

Features & Benefits

ETL third party tested and verified Category 6 performance
 High density design
 Color-coded C6110C4 connecting blocks
 Backward compatible to Category 5 and 5e
 Supports consolidation point applications

Standard 50-pair 110 footprint
 Internal signal feedback technique
 Provides a termination that is more transparent to
 New and improved labeling system

Specifications

General Info

Product Line	Ortronics	Color	White
UPC Number	662875433859	Country Of Origin	United States
Application Sector	Commercial	Warranty Type	5-Year
Type	Punch Down Block		

Dimensions

Product Width US	10.71 in	Product Depth US	3.34 in
Product Height US	10.71 in		

Technical Information

Compatibility	Cat6	Number of Pairs	300
Mounting	Screw Down	Connection Type	110 C4
