

Pass and Seymour Hospital Grade Amber Power-Indicating LED Tamper-Resistant 15A Duplex Self-Test GFCI Receptacles with SafeLock® Protection, White Part No. 1597HGTRPIAMBW

Conducts an automatic test every three seconds, ensuring it's always ready to protect. If the device fails the test, the indicator light flashes to signal that the GFCI should be replaced. It also has our proven SafeLock® Protection—if critical components are damaged and ground fault protection is lost, power to the receptacle is disconnected. Visual LED power identification of receptacles to ensure proper functionality for necessary loads. For detailed Tamper-Resistant receptacle information, visit our Tamper-Resistant Receptacles page.

Features & Benefits

Protects against shock caused by ground-fault occurrences. GFCI receptacles make it easier to Power-indicating amber LED provides visual indication of power being present at the fix trips with a reset button right on the device.

Hospital Grade GFCIs are subjected to additional performance requirements, including reliability, integrity, strength, and durability tests.

Conducts an industry-leading automatic self-test every 3 seconds. The trip indicator light flashes if the device fails the self-test, signaling the GFCI is to be replaced.

GFCIs prevent line-load reversal due to inadvertent miswire; there is no power to the face or downstream receptacles if wired incorrectly.

Auto-ground clip assures a positive ground to metal box.

receptacle.

Enhanced tamper-resistant automatic shutter system allows for easier plug insertion while inhibiting young children or others from inserting objects.

Equipped with patented SafeLock® protection. If critical components are damaged and ground-fault protection is lost, power to the receptacle is disconnected.

High-impact-resistant, thermoplastic construction for superior strength and durability.

FSUL listed (Federal Specification WC596).

Specifications

General Info			
Product Line	Pass & Seymour	Color	White
Finish	Matte	UPC Number	785007289916
Country Of Origin	China	Number of Receptacles	2
Features	Indicator Lights	Outlet Type	GFCI, Self-Test, Tamper-Resistant
Application Sector	Residential	Warranty Type	1-Year Limited Warranty
Туре	Duplex, GFCI, Tamper-Resistant		
Dimensions			
Product Width US	1.73 in	Product Depth US	1.03 in
Product Height US	4.2 in		
Additional Information			
RoHS Compliant	Yes		
Technical Information			
Is Tamper-Resistant	Yes	Number of Gangs	1
Amperage	15 A	Is Weather Resistant	No
Indoor/Outdoor	Indoor	Mounting Type	Box
