

Pass and Seymour  
Discontinued - NAFTA Compliant Hospital Grade 20A Self Test Duplex GFCI, Brown  
Part No. 2097HGNA

Conducts an automatic test every three seconds, ensuring it's always ready to protect. If the device fails the test, the indicator light flashes to signal that the GFCI should be replaced. It also has our proven SafeLock® Protection feature: if critical components are damaged and protection is lost, power to the receptacle is disconnected.
