

Enhance your connectivity with the Communication Device, featuring a single gang Decorator with an F-type coaxial connector. The sleek decorator outline ensures a modern and clean look. Constructed with high-impact thermoplastic, the faceplate offers durability and resilience. The zinc-plated steel strap provides additional strength, while the nickel-plated F-type connector ensures reliable signal transmission. Threaded on each end, this device is designed for secure and easy installation.

Features & Benefits

Decorator outline	Face constructed of high-impact thermoplastic.
Zinc-plated steel strap.	Nickel-plated F-type connector.
Threaded on each end.	

Specifications

General Info

Product Line	On-Q	Color	White
UPC Number	785007027075	Country Of Origin	China
Application Sector	Residential	Standard	UL, RoHS

Additional Information

RoHS Compliant	Yes
