

Wiremold
Uniduct 2800 Series One-Piece Latching Raceway Fitting
Part No. 2800

The Uniduct Nonmetallic Latching Raceway System is a one-piece, single channel design, ideally suited to route and protect fiber optic, UTP, and other low-voltage (50V or less) cables in an easy to install and aesthetically pleasing application. The 2800 and 2900 Fiber Optic (FO) fittings maintain a 1 1/4in (32mm) bend radius and are the perfect solution for even the most demanding cabling applications.

Features & Benefits

- Connect to an existing male VGA cable for a greater distance between devices
- Perfect for in-wall commercial applications
- Carries the highest VGA resolution: 2048x1536
- Available in lengths up to 100ft

Specifications

General Info

Product Line	Wiremold	UPC Number	786776190120
Country Of Origin	United States		

Dimensions

Product Width US	1.0 in	Product Depth US	0.5 in
Product Length US	70.866 in		

Buy American Act Compliance

NAFTA	Yes
