

Cablofil  
New VT100/200PG - Ventilated Straight  
Part No. 481070

V-Trough cable tray keeps your cables protected and easy to manage. Its high-strength steel construction matches many European OEM specifications and is available in smaller sizes for control and instrumentation cabling. V-Trough is manufactured to exacting standards so that all components fit together perfectly, making installation a snap.

## Features & Benefits

Built in splicing for connection without separate splice plates.

Ventilated design: reduces cable heating, mold and moisture buildup.

## Specifications
