

The Series II footprint provides the broadest range of options for data and A/V connectivity. It's ideal for larger A/V connectors such as VGA and combination modules which have both audio and video together. Series II also supports TracJack and Keystone footprints through the use of an adapter bezel.

Features & Benefits

Front Removable

Rugged snap-in design

Specifications

General Info

Product Line	Wiremold	Country Of Origin	Taiwan, Province Of China
--------------	----------	-------------------	---------------------------

Warranty Type	1-Year from Installation or 2-Years from Day of Sale
