

Fib-or-Cop II offers greater capacity, accommodating up to 12 fiber connections with protected exit from the bottom and six copper connections, either TracJack® or Series II®. This is a truly segregated design, which allows access to one media without impacting the other. Bottom-exiting connections can be further protected with an optional snap-on shroud.

## Specifications

### General Info

Product Line	Ortronics	UPC Number	662875533238
Country Of Origin	Mexico		

### Additional Information

Product Environmental Profile	Yes
