

Wiremold
FLOOR BOX W/896CK-1/2 BRASS COVER
Part No. 862CK-1/2

862 Series Residential Floor Boxes provide an excellent solution for the low density power or communication requirements in open space areas. Durable PVC construction and an innovative design allows the 862 Series Residential Floor Boxes to be installed in either wood or slab-on-grade concrete floors. 862 Series Floor Boxes are designed to work with a full range of forged, solid brass or brushed aluminum covers to accommodate a wide range of power and communication devices.

Features & Benefits

Includes 862 Series Floor Box and one 896CK-1/2 brass cover for carpet. Cover provides one 2 5/8" [67mm] and one 1/2" [12.7mm] concentric screw plug openings.

Specifications
