

Wiremold
880 Series™ Shallow Steel Single Service Floor Box
Part No. 885B

The 880 Series™ Floor Box provides an excellent solution for the low density power or communication requirements in open space areas. The 880 Series™ brings the power or communication service directly to the workstation. The 885B shallow floor box is an economical stamped steel version for above grade applications. The 880 Series™ is supported by one of the most complete lines of brass, brushed aluminum, and nonmetallic activations in the industry. Some applications for the 880 Series Floor Box are retail facilities, commercial offices, hotels, and financial institutions.
