

Take a step up from the standard. This tamper-resistant duplex outlet installs easily for the basic power every home needs, while elevating your space with the sleek, clean lines of radiant® for a sophisticated look. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Replaces any standard outlet with ease, in as little as 10 minutes.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

Push wire accepts #14 AWG solid only.

Low profile face.

Self-grounding models provide automatic ground clip.

Features durable, high-impact resistant thermoplastic construction.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

NAFTA-Compliant devices are ideal for use on projects subject to the provisions of the Buy America Act.

Superior protection than traditional outlet caps or protection plates.

Traditional contoured face (3232 models).

NAFTA-Compliant Residential Wiring Devices are ideal for use on projects subject to the provisions of the Buy American Act.
