

The new QdR2 remote for Gen 3 shades is designed to be more sleek and user friendly. Each remote comes with 6 buttons to support Up, Down and preset positions 20%, 40%, 60%, 80% with each lower button lowering the shade further. Magnetic back for simple storing in QMotion wall plates. The remote controls unlimited number of shades in a group. The Gen 3 remote may be used with Qrelay to extend the range.

### Features & Benefits

All shades programmed to the remote act in sync when button is pressed	Ideal for rooms with children or guests who may be unfamiliar with the remote and won't accidentally change the channel on the remote
6 buttons to support Up, Down and preset positions 20%, 40%, 60%, 80%	Single-channel remote allows for multiple shades to be synced together in one group
Recommended to be used with Qrelay to extend range	Requires QMotion wall plate, does not fit standard wall plates

### Specifications
