

adorne Collection
adorne® Two-Gang Accent Nightlight
Part No. AAAL2G2

Perfect for hallways, kids' rooms, or anywhere a little bit of light can provide extra comfort and visibility. Providing a gentle glow, this accent nightlight fits below any existing adorne switch or dimmer, practically disappearing into the sleek design. Toggle through the additional light level options with a tap of the finger to match your need or preference.

Features & Benefits

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

The adorne Accent Nightlight provides a warm, gentle light below any existing switch

The device attaches directly to the bottom of existing adorne light switches and dimmers, and is invisible once installed, making it a sleek addition day and night

Perfect for hallways or children's bedrooms where the addition of a subtle wall nightlight provides comfort and visibility

Leave your wall nightlight on or toggle through several level settings with just the tap of a finger
