On-Q
**5-inch Mounting Plate Combo Kit**
Part No. AC1050EMK

The 5-inch Mounting Plate Combo Kit combines device mounting and cable management solutions into a single SKU. The kit includes 1x AC1050 with Velcro strap, 2x AC1051-RC Ratchet Clips, 2x AC1051-KH Keyhole Post Clips, and 2x AC1052-CC Cable Channels.

Features & Benefits

Clips can be mounted vertically to hang devices inside the media enclosures

The Universal mounting pattern accepts the Ratchet and Keyhole Post clips to quickly mount a variety of 3rd party devices

Ratchet Clips rated at 2 lbs per pair, Keyhole Post rated at 3 lbs per pair

When combined with the AC1052-CC, the 5-inch mounting plate can be configured to provide an elevated 2nd layer mounting platform. Elevated mounting improvise airflow to devices and provides additional space to mount additional components

The cable management channels support up to 12 RG6 coax or category cables

Specifications
