

On-Q
Active Optical Premium High Speed HDMI™ Cable (10m)
Part No. AC2F10BK

The Active Optical

Features & Benefits

Supports: 18.2 Gbps bandwidth, Ultra HD - 4K@ 60Hz 4:4:4. High Dynamic Range (HDR), Deep Color, ARC

Available in lengths from 10 to 75 meters

Constructed of plastic optical fiber for added flexibility, making them easier to pull in the wall or run around tight corners

Enhanced retention clips keep the cable firmly in place, requiring 4.5lbs of pulling force to remove

Directional cable features color-coded cable ends to easily discern Display end from the Source end

Solely powered by the source device - do not require external power adapter

Rated: UL plenum, CMP

Ideal applications: commercial AV installations, such as conference rooms, sports bars, or classrooms
