

Explore more color options with the adorne® Remote Smart Dimmer Color Change Kit. The color change kits make it easy to change the color of a device during the installation process as needed. Color options include: Graphite, Magnesium and White. Compatible only with associated Netatmo smart device and is not compatible with other standard devices.

Features & Benefits

The interchangeable face covers allow you to update the look of your device without switching out the actual device.

Compatible only with adorne Smart Lighting with Netatmo remote smart dimmer, WNAL64, WNAL63

More color options available to fit any style: Graphite, Magnesium and White.

Complete the look with a sleek, screwless adorne® Wall Plate, and coordinate with other designer switches and outlets available from the adorne® Collection.
