

3' Aluminum Plugmold Multioutlet System, IG

## Features & Benefits

Attractive, tapered snap-together aluminum extrusions. Blend with any décor. Enables quick and easy circuit modifications or additions.

Full range of fittings. Provides a complete wiring solution.

Choice of standard 6", 12" and 18" or custom receptacle spacings. Provides flexibility of outlet locations.

Customization available. All products can be modified to accommodate virtually any application.

Satin anodized finish. Provides aesthetic upscale appearance and corrosion resistance.

Factory wired in 3', 5', and 6' lengths with flush 15A, 120V specification grade receptacles. Ideal for locations requiring a high concentration of devices.

Choice of single circuit, alternating circuit or isolated ground receptacles. Meets any job requirement.

This product meets the material restrictions of RoHS.

## Specifications

### General Info
