adorne Collection

adorne® 18-in Modular Track

Part No. APMT18TM4

A base under-cabinet modular track for use as the foundation of an adorne Under-Cabinet Lighting and Power System. Easily eliminate countertop clutter while also creating a more functional space within your kitchen. With its customizable modular design, you can create a unique under-cab solution that perfectly fits your home and needs. Modular tracks also available in 12 inch and 27 inch lengths. All lengths available in white or titanium finish.

Features & Benefits

- Perfect for eliminating countertop clutter and creating a more functional kitchen counter space
- An under-cabinet base that allows you to add or change out modules with ease
- The 18 inch Modular Track includes one outlet module and one blank module, and can support up to two Linear LED Lights
- The adorne 18 inch Modular Track must be installed with an adorne Control Box
- Module options include standard and USB outlets, our Digital Music Kit and smart device cradles to eliminate countertop clutter
- Installs in 30 minutes or less. Mounts to the wall underneath kitchen cabinets. All required hardware is provided
- Pair with other modular tracks to create a full system custom-designed for your kitchen
- Modular Tracks available in various sizes, and plug seamlessly together for easy installation
