

The cleverest way to add power and style, the Pop-Out Outlet extends to offer 3-plug access, then uniquely disappears back into the wall with a simple push when not in use. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

## Features & Benefits

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Provides additional power with 3-plug access when extended from wall.

Installs easily in as little as 15 minutes.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

Perfect anywhere you'd like to hide outlets when not in use, for added style and safety.

Disappears back into the wall with a simple push when not needed.

Comes with a special frame for mounting and requires a deep electrical outlet (22.5 cubic inches). No new wires required for typical installation.

More color options available to fit any style, including finishes to match current hardware and lighting trends.
