

adorne Collection
adorne® Engraved Paddle™ Switch, 20A, Nightlight, Magnesium
Part No. ASPD2032MENL

A modern twist on classic up-and-down switch control, the Paddle Switch lets you turn lights on and off with ease. Use this device on its own to control a light or fixture from a single location, or pair with a second switch or dimmer to control a single light source from two locations. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a Laser engraved at the factory with the word "Nightlight" range of contemporary colors and stunning finishes.

Perfect for anywhere you'd like to upgrade the look of a standard switch.

Pair with matching Paddle Dimmer or Paddle Fan Speed Control to create a uniform look throughout a room

This item is also available in Magnesium.

Use on its own to control a light from one location (single-pole operation) or pair with a second switch or dimmer to control a single light source from two locations (three-way operation)

This item also comes in 15A and 15A 4-Way options.
