

Deluxe Aluminum Cord Grips are UL Listed and CSA Certified for use in both indoor and outdoor applications to prevent cable pullout, to control arc of bend, and to provide a tight seal against environmental elements such as dirt, moisture and coolants. Cord grips are available in a wide range of conduit sizes from 1/4" to 3" in straight, 90 and 45 styles. A uniquely designed combination tightening surface with both a hex area and a knurled surface provides extra gripping for initial hand tightening.

Features & Benefits

A unique design with a combination tightening surface that includes both a hex area and knurled surface providing extra gripping for initial hand tightening and ease of installation

Anti-friction washer that fits between the nut and bushing for easier compression and a tight seal

Available in straight, 45: , and 90: styles

All aluminum design offers corrosion resistance and industrial strength for heavy duty applications
