

On-Q
Discontinued - In Wall TV Power Kit with USB White
Part No. CPU306WV1

Easily hide power and AV cables inside the wall without modifying electrical wiring. This pre-wired kit includes everything needed to extend power for a wall mounted TV while providing the ultimate flexibility with the innovative decorator based power inlet strap and the recessed box with Dual USB Type A receptacle. Kit includes a Dual USB-A Tamper Resistant Outlet to power compatible streaming devices.

Features & Benefits

- High-speed Cat 5e termination point for digital data services
- Compatible with all TV power plugs, USB type A connections even right angle cords
- Hook up a digital TV adapter, cable box, sound bar, or streaming media devices such as Apple TV™ or Roku™
- Unique brush strap cable catcher prevents cables from falling behind the wall
- Unique decorator based power inlet strap provides flexible project support for ganging other AV connections
