Ortronics
One Jumper OS2 MDC Test Reference Cable
Part No. DPC_OR_SCMDC-MDC-TRC-OS2

The OS2 One Jumper MDC Test Reference Kit is engineered to test installations when test equipment has MDC adapters and software for one jumper reference testing. This is also designed to test acclAIM installations. Input Connector: MDC Duplex, Output Connector: SC Simplex

Features & Benefits

Compatibility: This kit enables compatibility with Fiber test equipment that has MDC connectivity.

Quick Visual Identification: The test equipment side (A End), MDC connector housing has been marked with Red on the A ferrule side to indicate the unused channel. This helps ensure quick and accurate testing.

Ready to Test: Each Kit has been cleaned and inspected from the factory

Specifications

General Info

Product Line	Ortronics	Country Of Origin	United States
Application Sector	Data Center	Type	Tester

Dimensions

Product Width US	2.0 mm	Product Weight US	0.1 lb
Product Length US	2.0 m	Cable Length	2 m

Listing Agencies / 3rd Party Agencies

CE Certified	Yes

Additional Information

RoHS Compliant	Yes

Technical Information

Fiber Optic Cable Type	OS2	Connector	MDC
Bend Radius	10 mm	Cable Type	Fiber Optic
Cable Diameter	2 mm	Fiber Size	9/125
