On-Q

Discontinued - 42-in Plastic Door and Trim Kit 5-Pack

Part No. ENP42615

This kit includes a hinged door and coordinating trim ring for the 42"" Plastic Enclosure. Constructued of robust wireless transparent ABS plastic, it allows seamless integration of wireless devices into traditional structured wiring installations

Features & Benefits

Made with ABS plastic, the enclosure is designed to integrate wireless devices without interference

Cover adds 1.2'' of depth for cable headroom and 3rd party device compatibility.

Extra venting along the vertical plane of the door allows for superior heat dissipation.

Trim Ring conceals drywall imperfections, creating a smooth transition to wall surface.

The Trim Ring's modular snap-together design saves valuable space and cost of bulky shipping and warehousing.

Trim Ring can be installed to support left or right door swing.
