

Wiremold
dash Furniture Power Center, Outlet and USB A/C, White
Part No. F2RU6PRWC

The dash™ Furniture Power Center is designed to add convenient access to power and data directly to your furniture while maintaining a clean design. This ready-to-purchase standard offering features an outlet and USB A/C connection ports. The crisp white finish is designed to blend into hospitality spaces, complementing the existing decor with no exposed screws.

Features & Benefits

All dash™ products are easy-to-install, requiring minimal hardware.

The dash FPC is designed to blend right into any space, complementing existing decor with a minimalist design that's right on target with high end environments.

RoHS, Prop 65 compliant.

Passed UL 962A Spill Water Test requirements so it can even be used in a horizontal surface such as a tabletop.

Tamper-resistant receptacles protect users and devices from damage or risk of injury

This product is required to install from the front, which is easy and flexible. Unit can be mounted vertically and horizontally

Combine USB type A/C ports with switching and data options.
