

On-Q
Discontinued - Small Wing Mounting Bracket
Part No. F7752

This bracket enables trim-out of concrete enclosures and allows mounting of 11 single-size modules. The mounting wing utilizes module knockouts to give the installation of a finished and polished look.

Features & Benefits

Can be mounted in both the 36-in Large Enclosure for Concrete Construction (F7506) and the 26-in Medium Enclosure for Concrete Construction (F7507) for trim out
