

Shielded HDJ systems are ideal for installations with high levels of interference and offer flexibility with a easy, quick-to-install design

Features & Benefits

Circuit traces: Each circuit trace is rated to 100W, 1.5A

Superior Protection Against EMI: Minimizes disturbances in data transmission

Enhances PoE heat dissipation: Ideal for high-power PoE applications

Lacing cap termination: Reduces wiring time for faster installations

Accepts color ID icons: Perfect for port identification or segmentation

Versatile mounting: Use at both ends of the channel, compatible with patch panels, wall plates, furniture plates, surface mount boxes and more

High density footprint: Mount up to 48 ports per 1RU

Rear loading: Preferred mounting for panels

Plenum Rated to UL 2043: Can be installed in any air handling space

Specifications

General Info

Product Line	Ortronics	UPC Number	662875020035
Country Of Origin	Mexico	Application Sector	Commercial/Industrial
Standard	UL Standard	Type	Jack

Dimensions

Product Width US	0.63 in	Product Depth US	1.61 in
Product Height US	0.77 in		

Additional Information

RoHS Conformant	Yes
