

adorne Collection
Discontinued - adorne® Wi-Fi Lighting Starter Kit
Part No. KTWIF1

Getting app-based lighting control for your home is easy with the adorne Wi-Fi Lighting Starter Kit. The kit includes everything you need to get started: A Wi-Fi Ready Whisper Switch, a Wi-Fi Ready Whisper Dimmer, coordinating Wall Plates, and the adorne Hub. The Hub serves as the command center for your entire Wi-Fi Lighting solution. The Hub is sleek and compact for discreet placement, and is compatible with the Google Assistant and Amazon Alexa for additional control. From in the app, simply set, save and schedule over 100 lighting scenes, perfect for setting the mood at your next party or ensuring your home is well-lit when you arrive at night. Lights can be manually adjusted, or scheduled to automatically turn on and off.

Features & Benefits

Both switch and dimmer install easily, each into an existing electrical box and wiring directly to the light. (No new wiring required.)

For the Hub, simply plug it into your home's Wi-Fi network and pair to the switch and dimmer through included instructions.

Compatible with iOS and Android devices for app-based control, simply download the free Legrand Lighting Control app.

Also compatible with Amazon Alexa and Google Home, and even integrates into advanced home automation systems.
