

radiant Collection
Discontinued - Plug-In RF Tru-Universal Lamp Module, Light Almond
Part No. LC2201LA

The radiant collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes. This in-wall switch can easily control any non-dimmable load or device. In the radiant style, the LC2201 shares the collection's fit and finish for consistent color and clean, low-profile design. Legrand's RF Lighting Control switches and dimmers integrate with Intuity Home Intelligence, for superior and unified home control of your lights, security, audio, comfort, and more. radiant Screwless Wall Plate not included. Check out the RF Lighting Control mobile app.

Features & Benefits

Part of the radiant collection.	Controls all non-dimmable loads (up to 1500W) via mobile app
