

..

- Distribute, manage, and control power to connected equipment, enabling load monitoring, individual outlet power cycling, and power sequencing. This control can be accessed locally or remotely, multiplying the reach and ability of IT staff and caretakers. A single portal view provides visibility and control of power usage and available capacity, which simplifies the maintenance responsibilities of taxed IT departments.

Specifications

General Info

Product Line	Legrand	Color	Black
UPC Number	662875015680	Country Of Origin	Taiwan, Province Of China
Application Sector	Commercial		

Additional Information

RoHS Conformant	Yes
