

Vantage
InFusion Lite Touch Retrofit Insert
Part No. LT2VA

The InFusion LiteTouch Retrofit Insert is designed to easily fit into a LiteTouch®/ Savant® enclosure and can house up to three separate control modules or up to 36 loads per enclosure. This insert features module locking mechanisms for improved in-field plug-and-play installation and service, allowing modules to be quickly replaced without affecting load connections to the system.

Features & Benefits

Kit includes 3 module insert, IC-36-II controller, and ISME-36 enclosure

Designed to fit into original LiteTouch®/Savant® lighting panels

Features plug-and-play fittings for all modules
