

Wattstopper
L-Plate Industrial Mounting Bracket for Sensors
Part No. MB-1

The MB-1 and MB-2 are durable mounting brackets used to install occupancy sensors in a variety of settings. Both brackets include adjustable plates that allow sensor rotation to achieve the desired angle for optimal coverage. The brackets also include built-in bubble levels that afford the installer reliable guides to ensure the bracket is correctly positioned before adjusting the sensor. The MB-1 and MB-2 are constructed of aluminum with a clear powder coating finish.

Features & Benefits

Consolidating to L-Plate mounting bracket only
Mounting plates adjustable to preset angles
Multiple mounting options with MB-1
Built-in bubble level for accurate installation

Brushed aluminum construction
HID fixture bracket (MB-2)
Compatible with most Wattstopper occupancy sensors

Specifications

General Info

Product Line	Wattstopper	Color	Silver
UPC Number	754182782017	Country Of Origin	China
Application Sector	Industrial	Type	Bracket

Dimensions

Product Width US	3.5 in	Product Weight US	0.4 lb
Product Volume US	246.4 cu in	Product Depth US	6.4 in
Product Height US	11.0 in		

Technical Information

Compatibility	Wattstopper Occupancy Sensors	Bracket	Sensor Mounting Bracket
