

Ortronics Clarity CAT6A Modular Patch Cord, 10 ft, Yellow Part No. MC6A10-04

Clarity® patch cords utilize center tuned technology to elevate channel performance. Clarity 6A, 6 and 5E cords are ETL verified to Category 6 and 5e component standards. More importantly, center tuning these cords to Clarity jacks and panels provides significant elevation of channel performance that can be field measured.

Icon compatible – provides additional TIA-606-A

designation capabilities

Features & Benefits

Center tuned to Clarity jacks and panels for a more transparent mated Narrow Paralign plug profile supports use in high union density panels and hubs

Paralign™ 2 plug termination better controls plug performance

Assembled with premium cordage, 100% factory tested for performance, reliability and long life
