

## Wiremold ModPower On Surface Replacement Brackets

Part No. MDBKT-WH

People move. Equipment moves. Furniture moves. Power must be easy to change and relocate. The industry's first code compliant modular power system is designed to give you the freedom to reconfigure power and charging as you need. No matter how your project unfolds, the ModPower System provides convenient power access that meets code.

## Features & Benefits

UL Spill Water Compliant. Passed UL 962A spill water test requirements so it can be used in a horizontal surface, such as a tabletop.

FCC Compliance. This device complies with part 15 of the FCC Rules.

Circuit breaker. You will notice that our units (primary, middle and end) all utilize a circuit breaker. UL962A Supplement SD requires that all furniture power distribution units for portable (moveable) workspace tables contain supplementary overcurrent protection.

Tamper resistant receptacles. Models have three tamper resistant receptacles to keep little fingers away from danger.

Choose in surface or on surface. Pick the option that best fits your space: in surface or on surface. On surface units can be mounted under or above table surfaces. In surface units include a bezel that hides the mounting screws for a cleaner look

Easy installation. On surface units can be mounted using clamp (for a damage-free install) or can be installed using wood screws. Installation for in surface units is a snap: Simply cut the opening, insert the unit, tighten the clamps, snap on the bezel and plug it in.

## Specifications

General Info						
Product Line	Wiremold	Color	White			
UPC Number	786776195316	Country Of Origin	China			
Application Sector	Commercial	Туре	Modular Power System			
Listing Agencies / 3rd Pa	rty Agencies					
cULus ListingNumber	E349493	cULus Listed	Yes			

Additional Information			
RoHS Conformant	Yes		
Technical Information			
Indoor/Outdoor	Indoor
