

MM20 Horizontal Front to Rear Rack Cable Managers provide an efficient way to manage rack cabling and can be mounted to MM20 fixed and adjustable 4-post racks. These cable managers have a simple, toolless installation and are infinitely adjustable from front to rear for varying depths. The unique design allows for proper cable routing and cable bend radius control, while having a clean organized look.

## Features & Benefits

Front to rear adjustable: Accommodates 30", 36" and 42" MM20 fixed and adjustable 4-post racks

Horizontal zero U mounting: Mounts to the side of the rack between the front and rear rail

Toolless installation: Slide built in tangs into square rack holes, tighten thumb screws, and insert two easy grip fasteners (included) to hold in place

## Specifications

### General Info

Product Line	Ortronics	Color	White
UPC Number	662875025429	Country Of Origin	United States
Application Sector	Commercial	Type	Rack

### Dimensions

Product Width US	1.6 in	Product Depth US	36.0 in
Product Height US	9.0 in		

### Additional Information

RoHS Compliant	Yes
