

Ortronics

**MM20 End Panel - for MM20742ADJ 4-Post racks behind a MM20VMD706 manager - White**

Part No. MM20EP742-W

The MM end panel is used to finish the end of a row of Mighty Mo racks. When a 6 in wide vertical manager is mounted at the end of the row it mounts directly to the rack behind the manager, providing a stable mounting surface for the manager and concealing cables in the rack frame.

## Features & Benefits

Used to finish the end of a row of Mighty Mo 20 racks: Gives your installation a clean and professional look while concealing cables in rack channel.

Mounts flush with and provides a mounting surface for vertical cable management cages: Gives additional support to vertical management cages.

All necessary mounting hardware included

## Specifications
