

Ortronics
Mighty Mo® 20 Vertical Manager with Cover - 6 in W x 8.62 in D for 7 ft MM20 racks
Part No. MM20VMS706-B

The wire frame and rack unit finger design promotes efficient routing of patch cords between racks. Dual hinged snap-on covers allow easy access during moves, adds and changes. A 6" wide cage is supplied with four cable management spools and 12 bend-limiting clips.

Features & Benefits

Vertical cage with individual rack unit fingers: Provides organized method for routing and storage of patch or cross connect cable between racks.

Mounted on the front flange between the Mighty Mo 6 racks when two or more are installed in a row, on a single rack or the end of a row: 6" and 10" widths create a channel between racks for front to back routing of equipment cables and patch cords.

All necessary mounting hardware included: Hanger clips hold the cage in place for easy and quick one person installation.

Dual snap on hinged covers: The door allows easy access during moves, adds and changes.

6" and wider are supplied with four slack storage spools and 12 bend limiting clips: Improved bend limiting control for copper and fiber cords.

Specifications

General Info

Product Line	Ortronics	Color	Black
UPC Number	662875216353	Country Of Origin	United States
Application Sector	Commercial	Type	Rack

Dimensions

Product Width US	6.0 in	Product Depth US	8.62 in
Product Height US	77.25 in		

Additional Information

RoHS Conformant

Yes

Product Environmental Profile

Yes
