

Wiremold Meeting Room Solutions provide an integrated "last meter" solution for bringing power and technology closer to the user's work area. Current trends in workplace design are allocating more open space for meetings. Those trends present a challenge for routing and managing cables from the infrastructure to the point-of-use, as well as providing ready accessibility for future technology upgrades. Meeting Room Transition Channel (MRTC) and Under Table Cable Management (UTCM) were designed as part of a flexible, integrated solution set that manages cabling and connections for power, communications and A/V from the building infrastructure to the work surface.

Features & Benefits

Wiremold Meeting Room Solutions integrate with Wiremold pathways like OFR Series Overfloor Raceway, Fire-Classified Poke-Thru Devices, and Work Surface Portals to manage A/V, communications, and power cables from infrastructure to point-of-use.

Adaptability. Meeting Room Solutions are designed to allow for convenient clean up of existing tables with little or no disruption to the connected cords and cables.

This product meets the material restrictions of RoHS.

Ease of ordering. UTCM and MRTC are offered in convenient kits with everything needed to complete the installation.

Ultimate flexibility. UTCM is easy to cut to length to adapt to a variety of table lengths and MRTC adjusts to a variety of table heights making installation quick and easy.

Easy to maintain. Future technology upgrades or room reconfigurations are completed with the least disruptions with an easy opening boot and channel on MRTC and the designed-in retaining dividers of UTCM.

This product meets the material restrictions of RoHS.

The UTCM kit comes with 5' [1.524mm] base, 5' [1.524mm] rail and latching clips; while the MRTC kit comes with an adjustable boot, channel, mounting spine and transition covers for smooth cable egress.

Specifications

General Info

Product Line	Wiremold	UPC Number	786776180091
Country Of Origin	United States	Application Sector	Commercial

Dimensions

Product Width US	4.7 in	Product Weight US	6.2 lb
Product Height US	30.0 in	Product Length US	6.8 in

Additional Information

RoHS Compliant	Yes
