Series Two Landscape Speaker Kit

Part No. NV2LSKBK

Deliver immersive sound throughout any outdoor environment with the durable and scalable Nuvo Series Two Landscape Speaker Kit, complete with four, two-way satellite speakers and an eight inch, in-ground subwoofer. The low-profile, black teardrop satellite speakers have 3.5" poly woofers and .5" UFLC tweeters for clear, robust audio and even coverage. The powerful, eight inch subwoofer's cylindrical enclosure blends subtly into landscaping while providing stand-out bass response. Designed to provide years of performance outdoors, this 8 ohm system is IP-67 compliant for dust resistance and protection from water penetration, as well as MIL-STD-810 rated to withstand cracking through extreme weather and temperature changes. Additional satellite speakers and subwoofers can be added to extend the system.

Features & Benefits

Complete 5-piece system delivers immersive sound in outdoor environments

IP-67 and MIL-STD-810 compliant to provide years of reliable performance in harsh weather conditions.

8 ohm system pairs perfectly with Nuvo Player amplifiers or can be used with any 8 ohm amplifier

Highly scalable with option to add-on additional subwoofers and satellite speakers for larger areas

Lifetime Warranty
